Barn Installation-Jim Aiken								
Project Location (describe, and attach a location map):								
81 Hatchery Road								
Brief Description of Proposed Action:								
Looking to Install a barn to store tools and equipment used to service an adjoining property and shared right of way. I am unable to join this property to my principal property as there is a 40' right of way/extention of a separate parcel (89 Hatchery Rd) that is between my principal parcel (91 Hatchery Road) and this parcel in question (81 Hatchery Road). This is a 6 acre property that currently does not have any buildings on it. Minimum setbacks can be easily met. Barn would be Approx 30' x 60' Brown in color and placed on a stone pad (similar to a shed) in a location so as to have minimal impact on the neighborhood.
