TRAVEL ADVISORY

Watch for Weekend Closure of ramps at Northway Exit 17 and Route 9 in Moreau, Saratoga County

The New York State Department of Transportation (NYSDOT) is advising motorists that, weather permitting, the southbound Adirondack Northway (Interstate 87) off-ramp for Exit 17 in the Town of Moreau, Saratoga County, will be closed starting tonight, Friday, June 9, at 7 p.m. until Monday, June 12, at 6 a.m. for work on a [previously announced bridge replacement and interchange reconfiguration project](#). The on-ramp from U.S. Route 9 to the southbound Northway will also be closed during this time.

Southbound motorists that would normally use Exit 17 will be detoured instead to Exit 16 (Ballard Road), where they can loop around to head northbound on the interstate to reach Exit 17. U.S. Route 9 motorists that would normally head south on the Northway will instead be detoured northbound to reach Exit 18, where they can loop around to head south on the interstate.

Motorists are urged to slow down and drive responsibly in work zones. Fines are doubled for speeding in a work zone. Convictions of two or more speeding violations in a work zone could result in the suspension of an individual's driver license.

Motorists are reminded to Move Over a lane, if safely possible, or slow down significantly whenever encountering roadside vehicles displaying red, white, blue, amber or green lights, including maintenance and construction vehicles in work zones.
